Acknowledgment of Winterization

I, the undersigned vessel owner (or authorized agent), acknowledge and agree to the following:

1. I have either personally performed all necessary winterization on the above vessel OR have arranged for a qualified *(licensed & insured)* third party to properly complete winterization.
2. I understand that proper winterization is essential to protect the vessel, its engines, plumbing, and related systems from freeze damage or other seasonal-related harm.
3. I acknowledge that **North Shore Marina** has not performed winterization services on my behalf (unless otherwise contracted separately), and therefore is not responsible for any damage that may result from improper or incomplete winterization.
4. I accept full responsibility for ensuring the vessel has been winterized correctly and release **North Shore Marina**, its employees, and agents from any liability related to damage caused by freezing, lack of preparation, or improper winterization.
5. I understand that any sinking, swamping, flooding, or capsizing of an improperly winterized vessel could result in oil and fuel spills. I agree that I am **100% liable for any damage, pollution, and all associated costs** that may occur in or around the marina and surrounding waters.
